“ Karen-Pat & Family-- I am so sad today. Sue will be missed. Throughout our lives our families bond and form relationships with families in so many different ways, that is how we are with your family. My brother, My mother so loved Sue. My husband would pick at her. Karen when we were younger--the memories, Pat, so many good memories. Sue was so much fun, my heart is heavy for you all. Please know that I am and have been praying for all of you. Know that God will get you through these hard days.I love you all and so glad your family has been a part of our lives.
