“ When I met the Tyree family I was barely a teen. I met them thru
their neice Pam. But they were so kind and loving to all that shared
the love of skating. Linda let us help with the snack and drink bar.
After the twins came, we would babysit from time to time. My
thoughts and prayers are with Mike and the family during this time.
Sincerely, Lori McCurdy Mote

“ I have known Linda all of my life, all though elementary and high school. Boy, did we have some good times, out running the wheels off that Rambler station wagon every chance we got. I spent many nights at that house on Dailey St. Linda was the best kind of person. I never knew anyone that didn't like her. She was kind to everyone and always had that big smile. Unfortunately, I had not seen her in a number of years and I regret that. I have lived away in various other states since a year after High School but I always remembered our good times. She was so loved and the best kind of friend. My sister, Barbara,(now deceased) and Linda's sister, Joanne, were also great buddies in their school years and later years. I will travel tomorrow from NC to say goodbye to my longtime friend and know that she is in good hands. I know that all of her family are going to miss her tremendously. Heaven has gained an Angel.

My condolences to all of you.

“ Linda, I am so grateful that Shelby and I had a great visit with you a few weeks ago. You were still the Linda that we grew up with! When your sons opened the door for us, I introduced us as “family”. We all grew up together on Daily Street. Your family felt like my family. You told Shelby and me that you considered us sisters and that we didn’t even have to knock on the door on our next visit, just to come in like family. Sister, give all of our family hugs for us. Love and Prayers to Mike and the kids.

“ My heart is heavy typing this. Linda was a third grandmother to me. She loved unconditionally to those who were blessed enough to know her. I first met Linda as a 6 year old boy at Goshen UMC. She blessed my life countless times and her house was open to love anyone who entered. I spent many summer days and nights swimming and enjoy hers and mikes company. The Tyree’s are more than friends they are family. I pray for comfort for everyone who knew Linda because as I previously stated she treated EVERYONE as family. You will be missed MawMaw Linda.
