“ Anderson Family- Louise was a dear friend of mine. We shared so many special memories at the Senior Center and those occasions when we got to eat out. She was always there when I needed her. I will miss this fine woman as so will many other people.

“ *David & family- So sorry to learn of your mother's passing. She was a special friend to our Mom(mother in law). We heard often how active and sweet- spirited she was. Also many years ago while I was working at Piedmont Nursing Home - Louise would come and help make our lady residents so happy by styling their hair. She volunteered her time & talents to make others happy-. Just one of her many good deeds. She will be missed.*
