“ *She was one of a kind. I met her through hospice but she quickly became family to me. I will miss her so much. I love her and it just doesn't seem the same without her.*

“ *I really enjoyed working with Cookie at the cotton mill during the 70's and 80's. She was fun to be around and always had a smile. My prayers are with the family.*

*Aunt Louise was just the best and was very special to me.  
I was amazed at how sharp she was and the things she could recall.  
She helped so much when I was researching our family history.*
