“ Am thinking of all your family at this time. There is a wonderful video of Mrs. Naugher (on facebook) at church singing a hymn. She looked and sounded great. Your family is like ours -- blessed to have had good parents. You know they are in a better place but you will always miss them.

“ Nanny is a third grandmother to me. I will always remember me coming to house and her having the quilting rack down, always cooking something. She made the best maca-sketti I have ever had. She always treated me like I was one of her grandkids, I love her very much. Give Paw Paw a big hug for me, I'll see you later Nanny...

Love,
Debra
