“ My Grandma, was the sweetest kindest person you could meet. She had the biggest heart of anyone I ever knew. If she had it she would give it to you freely. My fondest memories of her was our shared love for cooking. She was an amazing cook and taught me everything I know. I don't know who I'm going to call when a recipe does not come out right. She had this amazing ability of scolding you and laughing all at the same time. It was adorable. She use to take me shopping when I was in preschool. She would pick me up and we would go get cardigans and skirts. She would tell me I got to go because I got out of school early and my sisters didn't and that is why I got to go and they couldn't. But to me that was our special time. I miss her so very much. I look forward to seeing her again someday.
