“ Although I'm many miles away, I know your wondering why.
Your youngest son won't come to you, at least to say goodbye.
I'm many miles away, and i don't know what to do.
My pockets now are empty so i can not come to you.
In my heart you know, i have alot to say and my only wish is to
tell you before you pass away.
For many years i stayed away, and now i know i was wrong, to
hold my past agaisnt you and feel you don't belong.
You are my only mother and it makes me feel so blue.
Because it's now to late to say I'm sorry for the way i treated you.
Some how mom I'll find a way, Please know that I'll be there.
To help put you in the ground, and show you i still care.
Just know i love you Mom you meant the world to me. And your
forever in my heart and there you will always be, I LOVE YOU
MOM!

Forever in my heart,, Daniel Goswick
