“ To know Margaret, is to love her. The short 6 years I knew her, were nothing but wonderful. She was a beacon of light, love, smiles & just pure joy, that she shined into everyone's life that she came across. Margaret was & is one of kind, there will never be another like her. Rather you knew her for a day or a year, she to bed the lives of everyone she came in contact with. That's how special she was & is. May her light, love & joy shine through the loved ones she leaves behind. Heaven just became a bit more greater because she had entered. Will forever love you M.J.
