“ *Miss Margie as we called her was the best cook ever. I remember going to Hokes Bluff during Christmas and she would give us a shirt box full of candy and her Russian Tea. When she lived in Ga she used to mail me articles about her contest winning with Ga power. She was a sweet lady and her daughter Janus was an angel and her husband Ray taking care of her in her last days. May the family find peace. Rest In Peace and tell everyone we know together hello!!! Nanny was a cook, loved to feed people. Her baking skills were beyond a home cook level. The best cakes were her German Chocolate and Hummingbird. She knew how to make all things better with food. Nanny loved doing crossword puzzles, talking on the phone and she enjoyed her gospel singing. She was little but a spitfire. If you didn't want to know the truth so bluntly then you'd know to never ask her but that's what made her so unique. I have to say I take after her in that respect. Love you Nanny. LuLu
