“ I lived across the way from Mark growing up in Piedmont. Mark and I played together everyday as kids. His laugh was uncontainable! We made the most amazing tree houses from lumber scraps we snatched from his dad’s barn. My goodness, i remember eating dog treats with, just to see how many we could eat before we felt sick. He had that humor his whole life! We love you Mark!

“ I've known Mark since we were 3 years old. I will never forget him buying me chocolates in the 4th grade. He was always sweet and kind.
