“ I was so sorry to hear about Melanie. We had lost touch over the years, but I have such fond memories of her. I know how much her family meant to her and you will all be in my thoughts and prayers.

“ Lynn and Teddy, we were so sad to hear about Melanie. It's unimaginable to lose a child and our thoughts and prayers are with you. She accomplished much and I know you are so proud of her. Although we had lost touch with her over the years we have sweet memories of her childhood. Lots of birthday parties and a cute little blonde haired girl running around laughing. There are no words to take away your pain but your faith will sustain you and one day you'll be able to smile at the memories through the sadness. Love and prayers, Danny and Linda
