“ Mike was with my aunt Gloria for many years. He was a nice, patient, quiet man & he made my aunt happy. When he & I first met, he told me I reminded him of his daughter & I was flattered by that. My sincere condolences & prayers for the family & all his friends.

“ Mike dated my sister, Gloria. He was a sweet, gentle man. The last time they visited us, in Missouri, Mike loved to look at the scenery here. He loved all the hills, since that's not what he's used to. You could tell he loved the outdoors. I wish we could have known him better, if we weren't so far away. My sincere sympathy to the whole family & especially my sis.
