“ Lisa and family,
You had a wonderful man for your husband and a terrific grandfather. He was the same every time you saw him. I ran in to him at Dollar General a while back and we talked about work mostly. I told him that I loved him and he told me the same. I will always remember him and smile when I do. I know you will miss him, but a lot of other people will too. I know he had a massive amount of friends. If you need Greg and I for anything please let us know. We love you, too

“ My condolences and prayers go out to the whole family. Mike took me to my first big concert in Atlanta to see Van Halen. We had a great time as we usually did and enjoyed many years of great friendship and laughter until I moved out of state. Thankful that after many years we had been back in touch the last few years. I was proud to have called him friend.....

“ Mike and I have been friends for years. He always made me smile and when I was with Mike I always felt safe. We all have friends and we all have true friends, Mike was a true friend. I could go on an on about stories of us but I don't need to write a book. I seen him a couple of months ago and got a hug, He will truly be missed by many. Tell people you love them because you never know when what can happen in life:(
