“ Mike and I traveled the roads in Vigo a lot in our younger days and coached peeweee baseball together. He was a true friend through the years. In our later years we exchanged remedies for our health problems and he was trying to convince me to buy a scooter like his. He will be missed by many in this community and by the PHS athletics department. RIP my friend.

“ Dear friend you will be missed. Our parents were close friends and Mike and I learned to water ski behind his dad's boat. We went to the Big Bam shows in Birmingham. He recently sent me a message about The Rolling Stones concert. Heaven has a new resident.
