“ Myrtis was my mother’s first cousin (Flora Tierce). They used to talk for hours on the phone. After mom passed in 2006- I would call Myrtis and we would talk about those gone on. We would also end up laughing about something funny in our lives that week. We always ended with “ I love you”. It had been a while since we had talked but I will miss her. Mama and Myrtis have reunited in heaven for eternity and a laugh , I’m sure. I am praying for the family. She loved y’all so much.

“ Aunt Myrtis, You wanted to be with your people for a long time now. I know you are walking on the street of gold with your husband, your mom & dad, & brothers & sisters & granddaughter. Your body is a new one that don't hurt when you walk & you're not sick anymore! Praise Jesus for saving your soul many years ago! We'll meet again one day soon! I love you & pray for your family as they go thru this loss. your loving niece, Norma
