“ *I was just sitting here missing you so much Paw...When I moved here you openly excepted me into your family and heart. I wish so much I could see your smile and those dancing eyes when you would tease me. Or how your face would light up when I sang to you "You are my sunshine". You truly were my sunshine Paw and I miss you more than you will ever know. I look forward to seeing you again on the day that the Lord calls me home.*
