“ My mother loved to travel. When I think of her I can hear her laughing that laugh she had. I can see her eyes sparkling as she says “ oh for real I can’t believe that”..
She was the best teacher I’ve ever had, that’s why I’m the most awesome person I turned out be. I’ll always hold you in my heart.
To my dad and my father(all in one) Dennis Milton Edwards, I’m sorry for your loss of my wonderful mother I know she could make your blood boil but we all know you loved her. I love you.

“ My family and I would like to convey our most sincere condolences to Denise,her daughter and to her Grandson Wesley whom we know she loved so dearly. And to the rest of Mrs Edwards family, our hearts are just broken for you all. She was a wonderful person and a real Lady of the South. And we know how much she was treasured and loved by all, but especially by her Grandson Wesley James Allen who we know well. They had a very special bond,and our hearts are reminded of that love,that bond that they shared. And we hold you all in our thoughts ,hearts and prayers at this time. May God keep you , bless you and hold you in the hollow of his hand the days and years to come. You are all in our prayers...for now and always. Love from the Foster's.
