When my husband go so sick I never knew Frank would go first. We were the couples who stayed married forever. I was married at 16 and was married 43 years when my husband passed. Doug and Frank always talked forever. Pat and Frank were wonderful people like us that loved their children with all their hearts. If was awefull when the Tornado took their precious Derek and his wife and their granddaughter. GOD what they went through. They were very special people to go through so much pain.
