“*Sadly I am out of the state visiting family and will not be able to attend the funeral but I wanted to offer my condolences and let the family know that my prayers are with them. Paula was a very kind and sweet person who lived one street behind me when we were in school.*

“*Ah, Paula. What fun we had together. We laughed so much. I love you and miss you very much. To her family...my thoughts and prayers go out to each of you. May God comfort you the way only He can. I know it's so hard, but you know the peace that passeth all understanding..the peace of knowing Paula is with her Lord and Savior. I will forever remember her for her smile and laughter that radiated a room. She was a wonderful woman. Sincerely, Kristi McCarthy*

“*Paula was a sweet and smart cousin. We used to always sit on the swing at my grandmothers house and sing songs. We would always try to play volleyball in the front yard with our cousin Connie, Faith, and a few others. She was the only cousin that ever came to visit me while I was in school. We reconnected over the last year via Facebook. I will always remember you Paula.*

“ I am so so sorry to hear about Paula's passing. I asked about her this morning and Doc didn't know. I just want you to know what an absolute JOY she was to be around. I loved her so much. She really made my days better. I will miss her smile :(this just breaks my heart. I will be praying for you. No one should have to bury their child. Please contact the office if you need anything at all.

“ Paula was a very special person in my life. There is now a big void in my heart and my life now. I will miss her terribly but I have wonderful memories of our times together to reflect on and appreciate. Her loving family and friends are in my prayers. I love you Paula and will carry memories of you in my heart.
