“ I knew Peg because I was her sister-in-law and friend. We spent many times visiting and staying at her and Earl's home, long ago. She taught my first child to walk when he had a new baby sister. She was a beautiful person. So many good memories!

“ How do you pay tribute to someone that is gone that has always been in your life? First let me say to the family-- I love you I know the sadness, and you are in our prayers. "Peg" as we always called her has done many things for us. She sent food when I was sick, she shared the same birthday. When I was young she took me to register to vote, she made my cheerleader uniforms, she made my sister's homecoming suite, she took me with her to all the ballgames from little league through high school. I would play all day with the sons as a child and end up sneaking to her table for fudge, 7 minute icing, and "peggy bisquits". Many nights I played games at her kitchen table. You and your family will always be part of my family, thanks for the great memories, and as we would always say as our phone conversations ended "Love You"

“ I have fond memories as a child of visiting Peggy and Earl. My grandmother, Susie Mason was one of Peggy's bus driving buddies and she would carry us to visit them. I remember Peggy's fudge. My prayers are with the family.

“ Dexter thought the world of Ms. Peggy..I remember him talking about loving to scare her because she always squealed, but she couldn't get her feet to move to run. I am Praying for all her Family, Praise God she is rejoicing with her loved ones and Dexter. One of these days, I'm going to be in that reunion, what a wonderful thing to look forward to..

“ IT WAS MY PRIVILEGE TO BE PEG'S PASTOR FOR SEVERAL YEARS AT ROCK RUN BAPTIST CHURCH. SHE WAS ALWAYS A JOY TO BE AROUND, AND WAS A VALUABLE ASSET TO THE CHURCH AND COMMUNITY. OUR PRAYERS ARE WITH THE FAMILY.
