“ *I was Peggy's Comfort Keeper/caregiver for 3 years and easily became friends through day by day relationship. She was very knowledgeable of the Bible and read her Sunday School lessons weekly. She loved watching the Gaither gospel singing videos. We had very meaningful conversations in which she told me many life experiences. She dearly loved her family and looked forward to being with them. I will truly miss her and also look forward to seeing her again in Heaven some day. I pray that God's presence will be with her family at this difficult time. Norma Austin*

I was somewhat of a godson to coach Pound and Peggy. People would often ask, who's the black kid picture hanging with all the family pictures. Peggy would reply, that's our other son and that's how they both made me feel, like a son. I will miss Peggy deeply, but will always cherish the memories we had and the relationship. May God bless the family, Jonathan Robinson

*Lindsey,
I'm so sorry for your loss. I didn't know Peggy personally, but felt that I
knew her through our conversations. I pray for the comfort for your
family that only comes from God.

She was my English and French teacher in the early 80's. Always one of my favorites, even though she was a very strict teacher.
