“ My dad Haynes Morgan (also Philip's uncle) and Philip had a special relationship from the time Philip was born; Daddy's nickname for him was "Heavy" because he was a small child for his age!

I will always be grateful to Philip for all the ways he befriended and visited Daddy especially after Mother died and particularly how he was so helpful to me during Daddy's last days. Such thoughtfulness and kindnesses as well as his quick wit and ready humor fill my memories of Philip.

Prayers continue for Lynn, Alan, Stanley-- all the family. Philip will be missed.
