“ I will never forget Ray leading our motorcycle friends on a ride there in Alabama and I followed him right of a STEEP hill. Scared me to death but we all laughed at me. We were blessed to know him RIP Ray.

“ Patty Mike and Vickil am so sorry for your loss. I do believe there are some fish stories being told in heaven. Grandpa Curly thought so much of "uncle" Raymond and loved going to visit you all. My folks also looked forward to their time with your family and I have many fond memories of visits in Florida, Indiana, Illinois and even Texas. Take care and I am keeping you in my prayers. Love from Gardner/Williams family.
