“ *I was so sad to hear about Rita. We all grew up together and I always loved going over to their house. So much more fun with all their family than being the only child. Rita and were so close in age we played together a lot. I will always cherish those memories. I loved her very much.* ”

“ Missy, I am so sorry to hear about Rita. She was always such a great friend and always had a smile, I can see her smiling now and telling you to be strong. I know this is going to be hard for you, just think of the memories you have, working together all these years. Not many have that, we all saw the love ya'll had for each other every time we came in the beauty shop. Love you and if you need me I'm just a phone call away. Stay strong and lean on God. Wanda
