“ Rob. I really loved you from the moment we met when you were just a tiny baby and did the unthinkable when I changed your first diaper to see you grow into a great man and wonderful father to Abby. You were loved by your money and your sister not to mention your aunts uncles and many cousins and innumerable friends. You leave many broken hearts with your passing but my cousin we will meet again some day we all know that. Have some long talks with your dad and tell my family hi. Love you
