“ So sorry to hear this. I remember him coming to the house during the summer when he was by himself and he would follow mother around like a little puppy dog. He would sometimes bring brownies that he had cooked. I still have his brownie recipe and every time I cook them I think about Todd.

“ I'm lost for words. This really isn't something I wanted to hear. Todd was such a wonderful friend to all that knew him. I have great memories of him that will always be with me. Those times at the lake and riding across the mountain and just going to his house to talk to him. My heart goes out to his family and friends. I love you my friend. Until we meet again. Rest in Peace. Fly high with the angels. 🥺💔🥺

“ He had class and style. Helped me decorate tables for a Christmas banquet a few years ago. Used items found in nature and did a beautiful job. Always had a hug and a smile for me. You will be missed doll!

“ Oh how I will miss my dear friend. Take comfort in the fact that every time I spoke to him he was bragging on how much his Momma, Daddy and brother were doing to help him through this. May God's peace and comfort be with you in these difficult days.
