“ Bobby and Brownie (his Jack Russell from years ago) travelled just about everywhere as a team. When Bobbie arrived, Brownie was sure to follow (or the other way around). They always had an entertaining story in tow, told as only Bobby could tell it. It was even better when Brenda rode along with them. That's teamwork.

“ What a full life you lived friend. You were a good friend to me and a brother to Ronald. You two are now wetting a hook and trying to out do the other.
