“ *I didn't know you very well. Just someone I passed in the hallway on my way to class. I wish I had known you better. I think of you every year around this time. It's not fair that I got to grow up and you didn't. I hope you're in a better place now. Rest in Peace, Rusty.*

“ Words cannot describe how I feel for the family and Rusty's friends/classmates. I never met Rusty but my daughter, Gabbie, spoke of him and always positive comments. I know losing a friend/classmate at such a young age is hard. Rusty will be missed by everyone..
