“ *Tony and Kim, heartbroken for y'all and your family and so saddened to learn of Riley's passing. I thoroughly enjoyed working with Tony for several years during our shared time with Springs Industries back in the day. I felt close to Riley and his brother and sister too following their athletic accomplishments and their careers as well. Every conversation I ever had with Tony never failed to bring up his kids and his parents many times too. Tony's great love and how proud he was of them all always was evident and came through on every phone call he and I ever had. My sincere condolences to all of Riley's family and friends. God Bless!*
