“ *Sam never met a stranger. Every time we would run in to at the station or at Jack's, he would be running his mouth about every thing and any thing. i*
My husband knew Sam years before I ever met him. The first time I met him was just like I had known him all his life.
We miss him and we are so sorry for your loss.

“ *Mrs. Goss and Family,*
I just wanted you all to know that you are in my thoughts and prayers. Sam was truly a light in this world...he always had a quick smile, a twinkle in his eye, and a tale to tell. I am so sorry for the grief that I know you all must feel.
Love to all,
Paige

“ *I was so sorry to hear about Sam's death. He was such a wonderful person. Young Oil was never the same after he left. He always had a smile and was kidding around. I never had to pump my own gas when he was around either. I love him and will miss him.*
