“ As Kelli mentioned, Mr. Meers and family has been so dear to our hearts. He was a part of our every day life; meeting me with the kids at drop of in the mornings, then reporting back to me that the girls were settled and okay. Also we both had to keep our mischievous boys under surveillance (lol).

Our children's childhood (anxiety) could've been such an issue, but he knew just how to handle the situation. He was so kind and understanding- just great!!!

Randy and I always enjoyed casual conversation and laughing with both Mary and Sherman. Wonderful people.
