“ I knew Sherry and her sisters (Lisa and Caroline) back in the eighties. We lived down the road from each other and went to the same high school. Sherry was always very kind and sweet. I know she will be missed by everyone that was touched by her kind spirit. I am praying that the family will find peace in knowing she is in a better place, and they will see her again one day.

“ We want to send our love and prayers to Gene and all of Sherrys family. We have so many wonderful memories of Sherry. She love children and all the people in Nursing Homes. We all were in Citizens of Georgia Power at Tallulah Falls. Sherry would plan Easter Egg hunts for the children in the community and she always dressed up like The Easter Bunny and had special gifts for all the children. They loved her! She planned parties for children who were at Circle of Hope with their Mothers and always wanted the Easter Bunny to come visit and take them balloons and candy. Sherry was so special and we all loved her and Gene. We are so glad we were able to be her friends. We miss her. Rest In Peace Sherry, we loved you dearly. Gene we are praying for you and we love you. Ken and Francesca Franklin, Jeannie, Danny, Eli and Maddie Clouatre and Patsy Fausett.
