“ She was my best friend, I loved her from the deepest of my soul. I will miss her here on earth for as long as I breath ,but I know I will be with her again beside our heavenly father, for eternity and what a glorious day that will be.

“ Shirley was my best friend, she was my kindred spirit. I love her, and even though I will miss her until my last breath ,I know I will see her again standing beside our heavenly father. What a glorious day that will be, but now she needed to be with her family who has already passed on. Heaven got one of the greatest. I love you Shirley
