“ David and Donna, I am so sorry for your loss. Shirley was a dear friend and I will miss her. We're in Colorado now so I haven't seen her recently, but we stayed in touch and she was important to me. She adored you both and was so immensely proud of you. Please give Marvin an extra hug from me.

“ *My sincere condolences to David and Donna. Also to her long time best friend, Marvin Rinne with whom she shared so many wonderful years. I have been a friend of Shirley's for around 38 years. It would take much too long to write about all of the fun times, sad times, and experiences that we shared together over all those years. We had many things in common, especially our love of the American Saddlebred Horses, and the people associated with them in the horse industry. She was a kind and wonderful friend to me. She will be so missed by all who knew her. I am heartbroken to lose my friend and will miss her very much. Rest in Peace now, my dear friend, and thank you for always being there. Barbara Mainord*
