“ *I love you all and I loved Steve. You all are special to me and I want you to know I am here for you through this time and the days to come. God is good all the time and sometimes he is good by giving us someone to comfort us when we grieve. He gave me your family one time and I will never forget it. Love you, Tam*

My prayers and thoughts are with you and please take comfort in the knowledge that Steve is without a doubt in the company of those who have been waiting for him. He will most certainly live on in our hearts and lives. He was my friend and brother for over 50 years. I know that the world is a better place because of Steve Tierce.*
