“ I was fortunate to call her friend. I was lucky enough to play music with her on a few occasions. She was "magic" on a piano. I'll miss her!

“ Terri you will be missed. You and I became close Facebook friends when we got sick. Sometimes it seemed as if we took turns. You always had a way of uplifting me. I know some of those times you needed uplifting yourself. Fly high and free. Know that you were loved but you are with the greatest Love's of your life. The Lord, Ralph, and your parents. Sing and play that beautiful music loud enough for us to hear. Rest easy not more pain. Always and forever

“ To the family and friends, please accept my sympathy. May you find comfort knowing that those who died, God keeps them in his memory. And at Psalms 116:15 they are precious in his eyes.
