“ I will never forget our San Diego trip,, although it was a bad habit for both of us, we had fun taking our (cigarette) breaks way back then,, Not only was I in great company with him, but with all of you.. I love your family so much,, and my heart is breaking for all of you.. I know how you are hurting personally.. May God give all of you strength for the coming days and years without this sweet man.. Love, Denia.

“ Tommy Keith, you were one of the men I met when I came to Ramstein AF base in Germany. We had so much fun, especially when Kathy came over. We had meals together and I still make your chicken and dressing recipe. I loved the travels we went on together. I remember when your parents came over and so did my in-laws. We were on a trip in separate cars on the autobahn. We were ahead and all of a sudden you came past us on the wrong side and just laughing. I'm sure your parents were scared, but what fun it was for us. Goodbye for now. See you soon Tommy Bear Bryant. Roll Tide. Sheila xo

Tommy Keith, Bob and I are so glad we met you and Kathy while we were stationed at Ramstein AFB in Germany. We had such fun traveling to Berlin and may other places. together. I remember riding on your BSA motorcycle scared to death but laughing with you all the way. You always had a story to make us laugh. It was always a treat to see you and Kathy through the years and recently in Atlanta. We love you and will miss you. You take care and hopefully we will see you again!
