“ In my younger years I enjoyed spending time at the Carroll home because we would always end up at the auto shop. There I would learn things from Tommy Sr. As a young man I was thrilled to see all the cars he would have through the years , they were every man’s dream. He always had a good word of advice on just about any type of job you were trying to do . He was an all around good man, and will be missed.

“ One of the nicest and most honest business owners in Piedmont. Such a great man always was peaceful and smiles, full of happiness and joy. Raised some awesome sons which I'm proud to be friends with the entire family. Rest easy Tommy Sr.
