“ Vera was an amazing person and trainer. (Loved her crazy stories). I had a great time going through the training department, and being apart of her last training class before her retirement. She always made sure that you knew what you were doing when driving a school bus. I will always remember her smile and her helpfulness. She will always be in our hearts.

“ Larry and Family: My heart is so sad because I miss this very special friend. I remember the day she was baptized at RockRun Baptist. The service was immediately following services and I ran across the road to get robes and towels for the people being baptized. I looked at that robe when I heard she had passed and thought ... She has a new robe now!! No more pain!! I also think about how my husband would juice fresh the tomatoes and she would make us fresh salsa. She was one of the best cooks ever as she has gifted us with homemade cakes. The last time I spoke with her, just 2 weeks back, she said to tell David she thought of him loving her cakes. To me this lady was such a warrior, so kind, and she really really loved the Lord and her faith was as strong as she was. Rest our dear friend we will all be together again one day.
