“ I was only on Mrs. Vickie's floor for part of one semester, but we developed a bond that she always maintained, treating me like a friend whenever she saw me. From her demeanor and attitude I could never tell she was sick; she seemed to always forget herself and think of others. She was a blessing to all of us at OHS and I will miss her.

“ To the family, I offer my sincere condolences for the loss of this wonderful person. Ms. Vickie embodied love and happiness, and truly was a Yellow Jackets and Alabama fan, with the earrings and t-shirts to match (smile). She had kind words for everyone, and hugs and treats for all. When she decided to stop working the 3rd floor was not the same. I missed our short pep talks and her optimistic view on life. Truly heaven gained another angel. Please know many are grieving with you - she will be missed.

“ Mrs. Vickie was absolutely precious in every way. She always made me feel like the only person in the world when she saw me. She would greet me with a smile and a hug and act like the Queen of England had graced the third floor. She had THE most generous heart and loved everyone she came in contact with. She was the heart and soul of Oxford High School, and her presence has been greatly missed. I will always remember Mrs. Vickie's smile and uplifting spirit. What a blessing to have known her!

“ I am so thankful for the time Mrs. Vickie graced our hallways at OHS. She walked onto our floor everyday with a smile on her face and wished everyone a good morning, and I looked forward to seeing her smile and welcoming the new day. She was always so positive and supportive of all faculty, staff, and students at Oxford High School. She would bring treats to our work room to spoil us "just because" and was always so kind and giving to all of the teachers' children. It was evident that she truly loved her job and her Oxford family. She was a treasure to OHS, and she will be greatly missed. We love you Mrs. Vickie!

Mrs. Vickie is a perfect example of living with the JOY in her heart. Her face showed the love and joy she has in her heart and I know Jesus is smiling with her today. Thank you for your Christly example that we need to live up to. She will be missed at OHS and the community.

“ I am grateful for the time I had with Mrs. Vickie. She became a cherished friend and prayer partner. Many times we encouraged one another in the hallways at OHS. I will forever admire her strength and faith. She attacked each day with joy and love as she worked daily with a huge smile on her face. I know at times she probably felt weak and maybe even scared, but you could never tell. She worked hard! She truly left an impression on my life. My prayers are with her family. -Holley Harmon

“ I met Mrs. Vickie at Oxford High School 2 years ago as a new teacher on the hall she took care of. She would always take time each day to speak to the students and to teachers in the halls, and was always smiling! And always quick to share the love of Jesus! She was one of the very first people to make me feel welcome in my new school, and I will be forever grateful of how welcoming she was to me and my family. I have 2 sons, whom she bought books and treats for anytime there was anything remotely close to a holiday. She loved taking care of everyone around her. We will miss her.

“ The Gallahar family would like to express our dearest and most heart felt condolences to the Duncan family. Mrs Duncan was a loyal and dedicated employee of Oxford High School. She always displayed an incredible amount of professionalism and love for The Big O. She did everything she could to help teachers, office staff, and students to be successful. She put the needs of others first especially students. She had an amazing heart for people and the third floor will never be the same without her.
