

Wanda Tierce McCurdy

October 4, 1948 - August 11, 2021

Wanda Tierce McCurdy, 72, passed away at Gadsden Regional Medical Center on August 11, 2021 due to the complications of congestive heart failure & kidney failure. She was a graduate of Spring Garden High School & a member of the Spring Garden, AL community, Cherokee County Genealogical Society & of Carmel Presbyterian Church.

Wanda had a love & talent for cooking & playing the card game Canasta. She never prepared a bad meal & rarely lost a card game. Wanda dedicated many years to researching & documenting her family genealogy. But what she most enjoyed was spending time with her family & friends; especially her grandchildren & her new great-grandson. One word that best describes Wanda is “Love”; she had the biggest heart. She valued & loved her family & friends more than anything. Everyone left her company knowing they were seen, heard, loved & felt better than they did before. She had a very close relationship with her son, who not only refers to her as “the BEST mother ever”, but also his best friend. This is a big loss that will be felt by many.

Wanda is survived by son, Todd Keasler; stepson, David McCurdy (Sheila), grandchildren, Priscilla McCurdy Curtis (Spencer), Nicolas Tierce, Kaden Tierce, Justin McCurdy & Wade Horne; great-grandson, Marshall Curtis; brother, Alton Tierce; sister, Joyce Watson; and several nieces & nephews. She was preceded in death by husband, Pat McCurdy; step-daughter,

Barbara Lane; parents, Alfred & Mamie Tierce; sisters Shirley Jean Tierce & Louise Comer; brothers Charles Tierce & Richard Tierce; nephew, Randall Tierce & niece, Donna Boozer.

Graveside service will be Monday, August 16, 2021 at 1:00 pm at Carmel Cemetery with the Rev. Wayne Lester & Neale Lanigan officiating. Pallbearers will be Spencer Curtis, Robert Jones, Ted Acker, Eddie Watson, Tim Watson & Dayton Boozer. The family asks that everyone please wear a mask due to the pandemic.

Wanda had endured years with heart disease & other medical issues that required special assistance from countless family & friends, but the family wants to specifically thank Alton Tierce, Brenda Ford, Iris Poppell, Robert Jones, Paula Malcom, Ted Acker & the staff at Amedisys Home Health, ProHealth Hospice & Gadsden Regional Medical Center.

“ Oh, I Loved Wanda more than anyone knows. She was My Best Friend for many years. I moved to Anniston & didn't get to see her, but the Love Remained. She was A Precious & Loving Young Lady.

“ Sending my heartfelt condolences to Todd, as well as the entire Dotson/McCurdy family and the rest of Wanda’s family, friends and loved ones.

Wanda's gentle, soft spoken loving nature, her kindness & fun sense of humor are just a few of the things I loved about her most.

(And let's not forget her delicious "finny dinny"!)

Some memories I am thankful to have shared with her was playing word games online, visiting and spending time with her and Pat, listening to stories of their adventures together. Hearing her talk about Todd and all of his adventures. (She would light up every time!) Helping her to prepare for a few events at her church.

I am so thankful that I got to know and love Wanda. Spending any time with her was always a pleasure and a true gift.

Her radiant smile, warm embrace and calm demeanor would instantly put everyone at ease and put a smile on their heart. It was as if her soul was a constant ray of sunshine.

Her love for her family and friends were undeniably present and prominent, at all times.

She was a true angel on earth.

This is how I will always lovingly remember her.

Todd, you were her whole heart. I know the two of you shared so many wonderful times and memories together. May those memories and her never ending love bring you comfort and peace whenever you need it most.

She will truly be missed. Sending hugs, love & sincere condolences to all of you. With love, Hope

“ My precious "Wandee" and "cuzzy". We had many late night phone conversations and exchanged birthday and Christmas cards. Wanda talked about Heaven and Almighty God. She mentioned her Todd so very often. That "kid" was LOVED! She was one of the best cooks around. She loved her "mater" sandwiches and I had taken her some just a few weeks ago. One of her genealogical presents to me was a family book of the Family of Osmond Tierce. She worked so hard on it and I treasure it more than ever. Her soul and spirit are very much alive. We just miss her beautiful earthly presence. We will soon follow her . . .

“ *Todd - I don't have enough words to describe the beautiful woman your mother was. Everyone who knew her loved her and wow did she ever love people. The years of gatherings was so dear to her. Wanda had such a genuine kind and gentle persona. There will never be a son more loved than you. So many times she has told me Todd is my heart. I know it's such a hard time, but we know where Wanda is now. May God be with you and Guide and direct you in all days ahead. We Love you!*

Todd I am sorry for all you've been through just this week losing your mom and dad. Aunt Wanda loved you with all her heart. I appreciate how you made sure your mom had everything she needed. There is going to be many times we will miss her. We have peace knowing her pain is no more. Our prayers are with you. I will always be there for you. My mother loves you so much! My heart is broken and I cant imagine the pain you feel. Aunt Wanda was my first best friend. We've shared many wonderful times together. I wouldn't take anything for the time Aunt Wanda and I had together this year. I realized several months ago Aunt Wandas health was declining more than ever. Much love and prayers from my family. R.I. P. sweet "Nana" until we meet again.
