“ *When I went to work at Piedmont Nursing Home I had the privilege of meeting a really special nurse, that nurse was Mrs. Cook. Just a few nights ago I was telling my husband about the nurses, I as a social worker had enjoyed working with. I could not help but describe her starched white uniform and her sweet lady like manners. Mrs Cook had a soft and kind demeanor. She really loved her patients. Never ever did I hear her speak an unkind word. I just wanted her family to know the impression she left on a former co-worker. She will be missed.*
