“ I loved Ms Willie💕 She was our precious "custodian" at Piedmont Housing Authority for several years. Ms Willie was like family to us. She would come to the office on Wednesday as we were closing for the day. I remember just hanging out sometimes and chatting with her about her family, her health etc. To her precious family, let me say how sad I am for you all, but not sad for my friend Ms Willie. She has now received her eternal reward and enjoying her Heavenly home. Thank You Jesus💙🙏🙏
