“ *Mrs. Luckey was someone I remember as a small boy. I used to have the worst headaches in the world!! I would suffer for days with headaches. When Bro. Jeff had a church on Hwy. 21, Mrs. Luckey visited and something told me to go over and let her lay hands on my head and pray for me... and that she did! She prayed and prayed and told me to never think about it again that God had healed me. I am now 31 and I have not ever had another one of those headaches again! She was a praying person, but she didn't just pray, she believed! I wish the world were full of more people just like her! Heaven is surely sweeter with her there.*
